Dear Employees,

As you are all aware, Fedway has been aggressive and thorough in providing the safest possible environment for its employees and customers during the COVID-19 pandemic. In addition to consistently following CDC guidelines and Executive Orders from Governor Murphy, we have proactively invested in advanced technological & sanitary solutions to ensure the welfare of our teams while providing uninterrupted quality service to our customers and suppliers.

Please access our website at **fedway.com** to view a video describing in detail the extraordinary lengths that we have gone to provide a safe workplace to all involved with our essential business activities. Also, you can remain confident that Fedway will continue on the leading edge of any advancements that provide the best of care for our employees, customers and suppliers.

To everyone at Fedway and their families, thank you for your efforts during this very challenging year.

Happy Thanksgiving to all and have a safe, joyous Holiday Season.
