Subject: Governor's Executive Order of March 21st Permitting the Continuation of our Business Operations
Attachments: Governor's Executive Order 107_March_2020.pdf

Dear Fedway Employees,

Yesterday afternoon, the NJ Governor's Office provided details of further business closure guidelines. That executive order specifically provides for certain exceptions, such as obtaining essential goods or services including bars and restaurants for take-out services and liquor stores.

As a result, Fedway will continue normal business operations consistent with these guidelines.

Employees reporting to work are permitted to travel to and from their place of business. We are providing the attached letter indicating that you work in an industry permitted to continue operations.

Kind regards,

Angela Girardi
