

**TO:** All Employees and NJ Law Enforcement Agencies  
**FROM:** Fedway Associates  
**RE:** Governor's Executive Order of March 21st Permitting the Continuation of Business Operations  
**DATE:** March 22, 2020

Governor Murphy's Executive Order Number 107 was issued yesterday requiring all non-essential businesses in the State of NJ to close until further notice. There are, however, certain businesses deemed essential and therefore exempt.

Fedway Associates is a wholesaler of wine and spirits and is named an essential business under this order. We have been given permission to allow our employees the ability to travel to and from work locations during normal operating business hours.

Over the past few weeks, we educated all employees regarding all safety and health precautions (including social distancing procedures) issued by the CDC and these will remain in effect.

Thank you for your cooperation and support to help our business continue for the needs of New Jersey residents.
